IMMOTISS – Working student

Do you want to expand your professional skills with an exciting and intensive experience in the healthcare and care property sector? As a working student with us, you can show us what you're made of.

We offer you the opportunity to gain a far-reaching insight into the world of healthcare and M&A consulting as well as the property investment business at an innovative consulting and investment company during your studies. As a fully-fledged member of our team, you will typically spend 15-20 hours per week analysing investments, supporting takeover processes and making a difference in one of the most exciting industries of the future. Apply now and create the conditions for a practical experience with diverse impressions and lasting learning experiences.

Your role

As a working student with us, you will get to know the exciting world of the healthcare and care property market. You will support the team as a fully-fledged member, e.g. in the

- preparation of market, location and competition analyses,
- due diligence in the context of real estate transactions,
- initial analysis of new investment opportunities,
- preparation of presentation documents,
- preparation of publications on current market developments,
- further development of our own database Trasenix and various research activities

Your profile

- Studying at least in the 3rd semester of a Bachelor's degree or already in the Master's programme
- Business studies or clear affinity for business topics, ideally with a focus on real estate or healthcare
- Good academic performance and good A-levels
- Fluent written and spoken German and English
- Practical experience an advantage
- Convincing communication skills
- Very good computer skills (especially Power Point and Excel)
- Implementation orientation, strong analytical skills, a sense of humour and enthusiasm

Your application

We look forward to welcoming you to our team and being successful together. Please send us your complete application documents (cover letter, CV, references) by e-mail to bewerbung@immotiss.de
